DAY PROGRAMME DELTA ENGINEERING OPEN HOUSE:

19-21 SEPTEMBER 2023

8:00 – 8:30	Welcome & coffee		*Reception desk: ground floor + meeting room*
8:30 – 9:30	Live machine demos		*Machine demo hall: ground floor*
9:30 – 9:55	Presentation	INTRAVIS VISION SYSTEMS	*How INTRAVIS uses its experience for the future of wet area inspection – 2nd floor*
10:00 – 10:25	Presentation	1BLOW	*1 BLOW makes your products unique – 2nd floor*
10:30 – 10:55	Presentation	Delta Engineering	*In-house bottle manufacturing concept: BBF (blow-buffer-fill) solutions – Depalletizing solutions – 2nd floor*
11:00 – 11:25	Presentation	ISYTECH PLASMA APPLICATIONS	*New Fluorine-free plasma coating process. Replacement of metal, glass & Coex: Plasma, new regulations, slideability – 2nd floor*
11:30 – 11:55	Presentation	ASB Form Your Vision	*Nissei ASB's unlimited range of container possibilities – 2nd floor*
12:00 – 13:00	Lunch in our rooftop restaurant		*3rd floor*
12:30 – 13:30	Live machine demos *(optional, are the same demos as in the morning timeslot)*		*Machine demo hall: ground floor*
13:30 – 13:55	Presentation	CAPMATIC	*Capmatic Filling & Packaging Systems – 2nd floor*

14:00 – 14:25	Presentation	EASTMAN	*Enabling circularity through innovation – 2nd floor*
14:30 – 14:55	Presentation	Delta Application Technics	*Advantages of in-house production of pallets – 2nd floor*
15:00 – 15:25	Presentation	IBE-BVI BVI (Belgian Packaging Institute)	*Making the shift to sustainable materials in packaging: regulations AND measurements of the impact – 2nd floor*
15:30 – 15:55	Presentation	Mabo E&A Your Automation Specialist	*Developments in AGV automation for end of line– 2nd floor*
16:00 –16:25	Presentation	Delta Engineering	*BBOM: Buffer-Based Operator Management – 2nd floor*
16:30 – 16:55	Presentation	AXIOTHERM®	*Integrated Energy from a Single Source (Energy saving using PCM materials) – 2nd floor*
17:00 – 17:25	Presentation	SEAMCO	*Advantages of servo-driven movements in filling and capping machines – 2nd floor*
17:30 – 17:55	Presentation	Pilario	*From Sustainability to Growth: The Software Innovation Bridge – 2nd floor*
18:00 – 19:00	Vineyard visit		Visit of a vineyard next to Delta Engineering – *meeting point: outside right in front of the main entrance, ground floor*
19:00 – …	Dinner in our rooftop restaurant		*3rd floor*
